REQUEST FOR RESETTING ISSUE FEE PAYMENT DUE DATE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Patent Office delayed mailing of a Notice of Allowance until after the original Issue Fee payment due date. Thus, Applicant respectfully requests that the Issue Fee payment due date be reset to a later time.

Applicant received the Notice of Allowance (the first page thereof is attached) on October 20, 2004. (See the receipt date by Oliff & Berridge, PLC, on the first page of the Notice of Allowance.) The first page of the Notice of Allowance copy indicates that the Notice of Allowance was to be mailed on June 14, 2004, with an Issue Fee payment due on September 14, 2004. However, the envelope in which the Notice of Allowance arrived at Oliff & Berridge, PLC, indicates that the Patent Office actually mailed the Notice of Allowance on October 19, 2004. (See a copy of the envelope.) Thus, the Patent Office actually mailed the Notice of Allowance after the Issue Fee payment due date indicated in the Notice of Allowance.

An investigation of the on-line Patent Office PAIR system reveals that the Notice of Allowance was first mailed on June 14, 2004, but was returned to the Patent Office as undelivered. See the attached transaction history, printed from PAIR on October 20, 2004. Also found on PAIR is a copy of an envelope which indicates a mailing date of June 14, 2004, but was returned to the Patent Office and received by Technology Center 2800 on July 22, 2004.

The above indicates that the Notice of Allowance was first mailed from the Patent Office on June 14, 2004. The Notice of Allowance was returned to the Patent Office on June 23, 2004 as undelivered, and was received by the Technology Center 2800 on July 22, 2004. The Notice of Allowance was subsequently re-mailed on October 19, 2004, and was received by Applicant on October 20, 2004.

The date the Applicant received the Notice of Allowance is after the Issue Fee payment due date indicated in the Notice of Allowance. Therefore, Applicant respectfully requests that the Issue Fee payment due date be reset to January 19, 2005, three months after the re-mailing date (October 19, 2004) of the Notice of Allowance. Applicant respectfully requests that the Patent Office respond to this Request in writing.

No fee is believed to be required for filing this Request. However, in case a fee is required, the Director of the Patent Office is authorized to charge any fee due to our Deposit Account No. 15-0461.

Respectfully submitted,

James A. Oliff
